<https://archive.is/1VQkV> Updated story. Ian's friend was a low-level marijuana dealer, who was warned by Washington not to deal there because it wasn't his "turf". Ian's friend sold \$35 worth of marijuana to Alleyne, who purposely dropped the \$5 he gave as change, so that Washington and Price would have the advantage of surprise. When Ian & his friend ran, Alleyne shouted "Hit them n*****!" 2-2017.
